FEATURES: eco Friendly, sustainable and proudly made in America (made from post consumer plastic bottles).

PLEASE NOTE: Delays on this style may extend beyond our typical re-stocking time, consider a related style if the quantity needed isn't available or coming. The yarn is comprised of a variety of recycled bottles. This makes it difficult to get consistent lots of fabric, and there may be some slight color imperfections especially for the lighter shades. It also can create different hand feel of the fabric from lot to lot.
